Helping your business grow

## Offering Cloud Services that your business needs

Whether you want to enjoy a fully serviced Office 365 experience or enhanced file storage and file sharing we can help our customers work more efficiently with Cloud-based solutions.

### Office 2016 Suite

The Office Suite offers the 'tools you need' - Be more creative and achieve what matters with Outlook, OneDrive, Word, Excel, PowerPoint, OneNote and more. Enjoy a fully installed Office experience across PC, Mac, Windows tablets, iPad and Android tablets, and most mobile devices. Each user can install Office on 5 PCs or Macs, 5 tablets (Windows, iPad, and Android) and 5 phones.

### File Storage and Sharing

OneDrive makes the work you do available to you from anywhere – and to others when you're ready to share and collaborate. OneDrive for Business gives each user 1TB of personal cloud storage that can be accessed from anywhere and that syncs effortlessly with their PC/Mac for offline access. Easily share documents with others inside and outside your organization and control who can see and edit each file.
